### **STEP 11**

To get a more detailed understanding of our work read our pdf with the vision for the year 2026. I know it is 97 pages, but it is mostly pictures. There is just about 1 or 2 paragraphs of text per page. I **strongly** request you to take the time to read this vision. Visualize yourself being there in 2026. See whether this is something you would like to do with your life.
